Y6 Crucial Crew

On Tuesday, Year 6 pupils took part in the Crucial Crew experience. This is an interactive programme designed to teach important safety and life skills before starting secondary school. Through practical workshops led by organisations such as Hertfordshire Constabulary, Hertfordshire Fire and Rescue Service and the East of England Ambulance Service, pupils were made aware of how to keep themselves safe in a variety of real-life situations.

It was an engaging and informative experience and will support pupils in developing their awareness, confidence and independence as they prepare for the next stage of their education. Most importantly, Year 6 really enjoyed their morning.

Anti-Bullying Week

This year's Anti-Bullying Week was a fantastic opportunity for pupils to reinforce their understanding about the importance of kindness, respect and standing up for one another. The week was supported by a range of assemblies, in-class activities and workshops, all of which helped pupils explore how their actions can make a positive difference.

In each workshop the children explored different scenarios where bullying was taking place and then the children acted out how they would show kind acts to change the scenarios. The workshops were very informative and thoroughly enjoyed. Thank you, once again, to FoNS for funding the workshops.

Winter Fair

Friday 27th November is a highlight of our school's social calendar - our Winter Fair! Please come along from 3.30-5:30pm to soak up some seasonal experiences and take a look at the stalls. All money raised by this event, run by our incredible FoNS team, will go towards a school project. At the moment we are saving to update our audio equipment in the hall. Please see the FoNS update below, detailing how to buy extra raffle tickets!

We look forward to seeing as many of you as possible

Safer Travel - Hertsmere Police

This week, Hertsmere Police visited the school at drop off. The Police work in close partnership with local schools, to help ensure the safety of the whole community.

Unfortunately, they witnessed examples of dangerous parking outside the school.

Please take a look at their Facebook post to see the recommendations they have made to parents.

School parking patrols in Radlett

Officers were outside Newberries Primary School in #Radlett this morning (Wed 18 Nov), speaking with at least a dozen parents about unsafe parking and drop-off practices.

Around six drivers attempted to stop on the zig-zag markings outside the school gates. These patrols are carried out to help keep children, parents and other road users safe at busy school times.

Please remember:
❌ Do not stop or park on zig-zag lines
❌ Do not park near school entrances
❌ Do not block dropped kerbs, junctions or access routes for emergency services
❌ Do not park in a way that puts pedestrians, cyclists or other road users at risk.

The few minutes saved by parking unsafely are never worth risking a child's safety.
