They identify and describe the basic parts of plants and observe how they change over time. Animal parts: This project teaches children about animals, including fish, amphibians, reptiles, birds, mammals and invertebrates. They identify and describe their common structures, diets, and how animals should be cared for.	
 Art	 Computing	 DT	 Geography
Street view: This project teaches children about artwork depicting streets and buildings and focuses on the work of the American pop artist, James Rizzi. They create a 3-D mural based on Rizzi's work.	Computer Systems: Improving Skills: Developing mouse skills by learning how to log in and navigate around a computer while creating digital artwork. Programming - algorithms	Chop, slice and peel: This project teaches children about sources of food and the preparatory skills of peeling, tearing, slicing, chopping, mashing and grating. They use this knowledge and techniques to design and make a supermarket sandwich.	School Days: In this project we will be looking at human and physical features centred around our own school. We will also use makes to look at changes over time around our school.
 History	 Music	 PE	 PSHE
School Days: This project teaches children about their own school and locality, both today and in the past. They compare schooling in the Victorian era to their experiences today.	Sound Patterns:Through fairytales, children are introduced to the concept of sound patterns (rhythms). They explore creating rhythmic patterns to tell a familiar fairytale. Musical Symbols: Children combine all the musical concepts learned throughout Year 1 for an underwater-themed performance incorporating instrumental, vocal and body sounds.	Invasion games: There are two teams and two goals where you have to try and score in the oppersites team's goal. Net and wall games: The object is to hit the ball over a net and into a court space or hitting the ball against a wall to make it difficult for your partner to return.	Relationships: learning how forming positive relationships shapes our lives and knowing the qualities to forming good relationships.

 Religious Education	 Phonics/Reading	 Homework	 Key Information
What do some people believe God looks like?: Exploring how other people understand God on Earth; considering different representations of God and understanding why this is challenging What is God's Job?: Investigating the roles of God through stories and sacred texts, children look at the things God does and what this means to different people.	Phonics sessions take place every morning first thing, where we learn phase 5 phonics. Reading three times a week at school and reading books sent home with the children.	Please check the front of the reading records to know which day children take home and return books. Phonics homework & Phonics Screening mocks are given every Friday. Spellings are on the phonics homework sheet to be practiced for the following Friday	PE Days - Monday and Thursday School Trips - Monday 23rd June - Roald Dahl Museum Class Assembly - Friday 27th June - 9am
