 English	 Maths	 Science	
<u>Non-Chronological Reports</u> Organise and structure ideas clearly and coherently. Apply apostrophes of omission and possession consistently and apply semicolons and commas to structure ideas clearly. <u>Playscripts - Macbeth</u> Understand a variety of different literary genres, from plays to discussion texts. Develop more in-depth characterisation through drama and dialogue.	<u>Decimals</u> - Add and subtract decimals and multiply and divide decimals by 10, 100 and 1000. <u>Measurement</u> - Compare and convert units of measure, including length, mass and time. <u>Position and Direction</u> - Identify lines of symmetry in shapes, translate and reflect shapes across different mirror lines using coordinates.	<u>Materials</u> In this project, children learn about mixtures and how they can be separated using sieving, filtration and evaporation. <u>Life Cycles</u> In this project, children learn about animal and plant life cycles. They explore animal and plant growth and development.	
 Art	 Computing	 DT	 French (MfL)
<u>Line, Light and Shadow</u> In this project, children take black and white photographs and use pencil, pen and ink wash to reimagine their photographs in a shaded drawing. <u>Nature Art</u> In this project, children work outdoors to sketch natural forms before working collaboratively to create land art installations.	<u>Data Handling - Programming</u> Program an animation using algorithms. <u>Creating Media - Animation</u> Using video editing software to animate.	<u>Eat the Seasons</u> This project teaches children about the meaning and benefits of seasonal eating, including food preparation and cooking techniques.	<u>The Weather</u> Use the correct vocabulary for different weather conditions and compass directions, linking them to weather reports. <u>What's the Date?</u> Use the correct vocabulary for dates, linking them to significant events in the year through questions and answers.
 Geography	 History	 Music	 PE
<u>Sow, Grow and Farm</u> This project teaches children about the features and characteristics of land use in agricultural regions across the world, including a detailed exploration of significant environmental areas.	<u>Dig for Victory</u> In this project, children will research and organise important information and detailed historical accounts using topic related vocabulary.	<u>Musical Theatre</u> Select existing music for a scene to tell the story of a journey. Perform in groups, ensuring smooth transitions between spoken dialogue, singing and dancing.	<u>Tennis</u> - use groundstrokes to keep a rally going and develop an underarm serve. <u>Athletics</u> - understand pace and develop technique in relay changeovers <u>Rounders and Cricket</u> - develop batting skills, bowling skills and fielding techniques.
 PSHE	 Religious Education	 Homework	 Key Information
<u>Relationships</u>	<u>Who should get to be in charge?</u>	<u>Curriculum Based Activity</u>	<u>PE Days</u>

I can keep myself safe online and recognize when an online community is helpful, unhelpful or safe. I can recognize and resist pressures to use technology in ways that may be unsafe. <u>Changing Me</u> I understand the changes that will happen to me during puberty and I can explain how boys and girls will change.	Investigating the different ways religious leadership and authority are determined, children explore what happens when people don't agree. <u>Why are some places in the world significant to believers?</u> Using maps, pictures and texts, children investigate why some places are significant to some religions. They explore why this has sometimes led to conflicts and what these places can reveal about beliefs and culture.	One additional activity, contributing to or consolidating classroom learning, will also be set each week. Read 5x week (bring reading records into school each Friday) Weekly Spellings (sent via google classroom) Practise of Maths fluency via Numbots or Times Table Rockstars (A minimum of 10 minutes 2x a week)	Monday and Tuesday <u>School Trips</u> Lee Valley Nature Reserve - Monday 18th May
