## Class Blogs and School Curriculum

Each week your child's class teacher will upload a blog. This is intended to give a brief overview of the week or focus on one aspect of their learning. This can be used to encourage your child to talk about learning at home and also help you to understand more about what they have been doing in school. Please follow the link below to see all of our current and archived class blogs and blogs from other year groups.

## Payments To School - School Lunches & After School Club

### School Meals

We would like to remind parents that it is essential that your School Arbor account remains in credit, in order for your child to access school meals. The meals are provided by a third party company, who the school is responsible for paying at the end of each month. The school is unable to fund meal accounts that are in arrears. Reminders indicating a low balance are sent out to all parents, to help you to keep on top of this. However if your account falls into arrears, we will not be able to offer your child school lunches moving forward.

If you feel that your child could be eligible for free school meals, please follow the link below to find out more information and a further link to make an application.

### After School Club

A reminder that when booking a slot for your child at After School Club, you will now be required to pay as you book.
