School Uniform

It has been noticed that children are not looking quite as smart as usual! Please can we remind parents of our expectations around school uniforms and ask that you do your very best to encourage pride in your child when wearing this.

Please follow the link below for further information regarding our uniform.

Year 5 - Class Blog

Over the past week, Year 5 have started their new Geography topic all about Investigating the World. We have looked at the physical geography of the world first and discussed how the Earth can be categorised into zones. We studied time zones, climate zones and biomes, sharing the similarities and differences between them. We then discussed different colourful and imaginative ways to present our findings, with fantastic results!

Class Blogs and School Curriculum

Each week your child's class teacher will upload a blog. This is intended to give a brief overview of the week or focus on one aspect of their learning. This can be used to encourage your child to talk about learning at home and also help you to understand more about what they have been doing in school.
