Headline News - Ms Peters & Mrs Traxon

School Trips

It has been wonderful this week to see our children begin to go out on educational visits.

Year Six spent the day at the RAF Museum in Hendon, which was planned to support their history topic on the World Wars. They took part in a Second World War school day experience where they found out quite how different school was then compared to now. They also had the opportunity to look at many artefacts.

On Thursday, Year Four went to Mountfitchet Castle for the day. This was also in support of their history topic on 'Invasions' and focused on the influence of the Normans and their motte and bailey castles. They found out many fascinating and gruesome facts about life in the Middle Ages.

Please look out for our blogs this week and next week where each of these classes will share a little bit more information about their trips.

Parent Consultations

Parent Consultations will take place in the last week before half term. Please make sure you follow the information sent out by email earlier in the week in order to book a session with your child's class teacher. This is an important opportunity for you to find out more about how your child is settling in this academic year and to share any further information you may have with the child's class teacher.

Have a good weekend!

Ms N Peters & Mrs A Traxon (Headteachers)

Is my child too ill for school?

For advice on whether to keep your child away from school and for how long, please see the NHS guidelines

Year 6 - Class Blog

This week, Year 6 went on an amazing trip to the RAF Museum in Hendon. We were able to get up close to aeroplanes, uniforms and artefacts that had actually been used in, and survived, the First and Second World War. We even got to experience what a wartime classroom would be like and had to take cover during an air raid! It was eye-opening to stand next to those enormous machines and learn about the heroic people that fought during the war. This year, we even got to visit Hangar 6, which has more modern technology and we could see how the inventions and discoveries during the World Wars influenced modern day flight.

Mrs Simpkin, Mrs Devine, Mrs Clark and Miss Burton (Year 6 Team)

Class Blogs and School Curriculum

Each week your child's class teacher will upload a blog. This is intended to give a brief overview of the week or focus on one aspect of their learning. This can be used to encourage your child to talk about learning at home and also help you to understand more about what they have been doing in school. Please follow the link below to see all of our current and archived class blogs or blogs from other year groups.
